

Fast, Affordable, & Secure PDF Solutions

PDF Solutions For All Your Needs

End-User Productivity

Desktop software, mobile apps, and cloud services

Enterprise Automation

Server software for large scale PDF document management

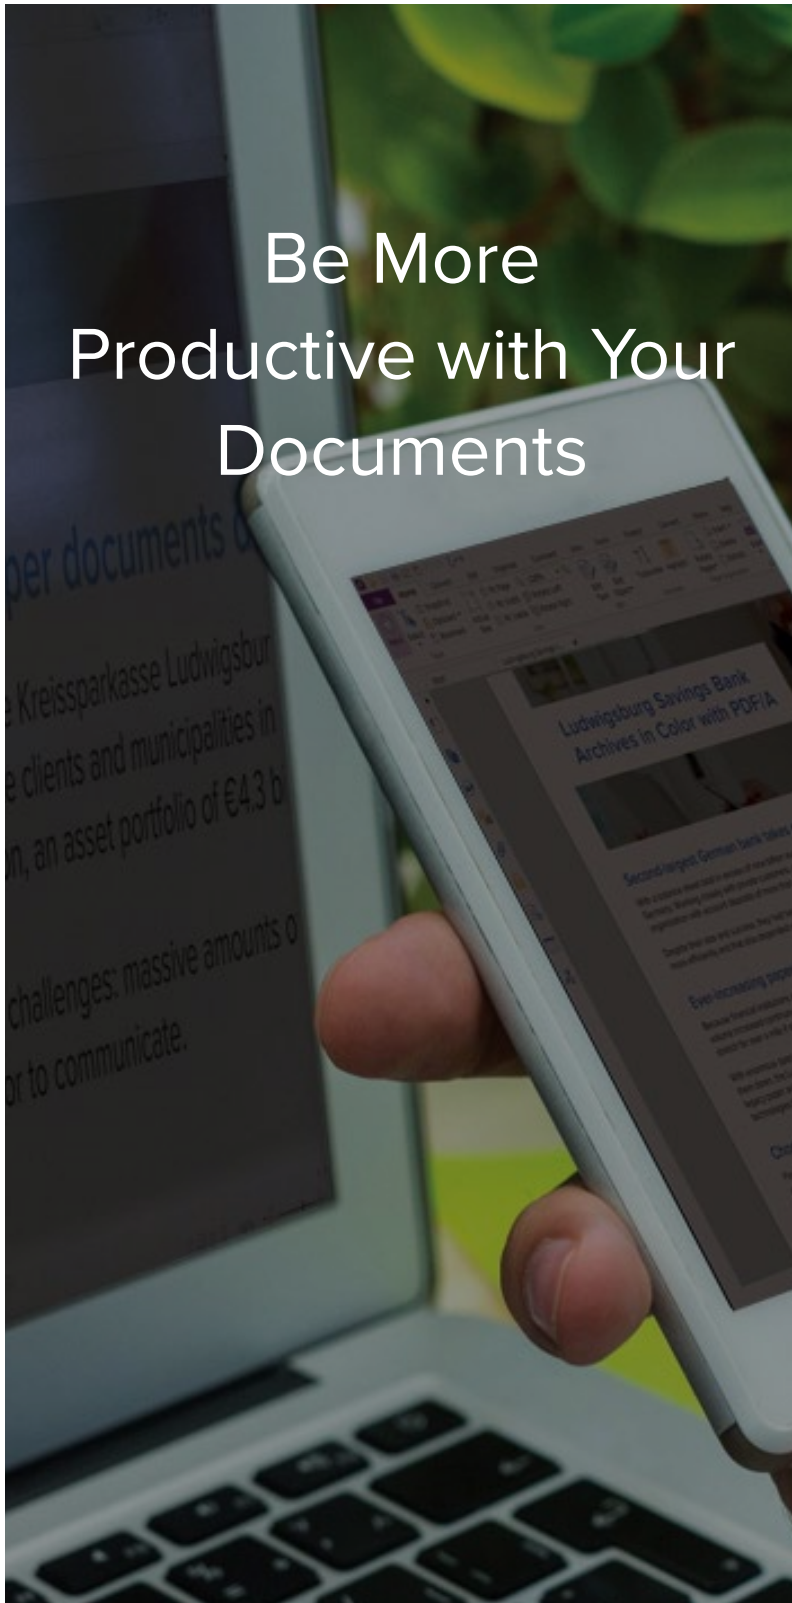

Developer Solutions

Incorporate powerful PDF technology into applications

Foxit is a leading software provider of fast, affordable, and secure PDF solutions. Foxit has over 560 million users and has sold to over 125,000 customers located in more than 200 countries. The company has offices all over the world, including locations in the US, Asia and Europe. For more information, please visit <https://www.foxitsoftware.com>.

 **ConnectedPDF**

Next-generation PDF, made for the connected world

Be More Productive with Your Documents

Achieve More with PDFs

Consistent user experience from desktop to mobile. The powerful PDF editor transforms how you create and modify documents. Fast and feature-rich readers to view and collaborate.

Connect Authors & Users

When a team collaborates, it works at its best. Elevate your teamwork with shared reviews for interactive feedback, send requests to others to get a file, and integrate with leading CMSs.

Control After Publishing

Keep track of your documents after you publish. Track to see who opens your document and what they do, notify readers of new updates, and grant and revoke document access.

Enterprise-Scale PDF Solutions

Create PDFs at Scale

Achieve consistency and quality by converting to standardized PDF and PDF/A. Save file space and ease file sharing with industry-leading image compression.

Modify PDF Content

Contain costs while meeting business needs by automating the addition of watermarks, headers, footers, pages, etc. OCR scanned documents for searchability.

Safeguard Sensitive Data

Protect confidential information by securing PDFs with passwords and permissions, redaction of sensitive information, or Microsoft Rights Management integration.

The Home of PDF Development

Powerful Core Technology

Count on Foxit's SDK technology since it's the most tested and feature-rich PDF SDK in the market. Used by organizations of all sizes and on all platforms, the possibilities are limitless.

Rapid Development

Get your app to market quickly with Foxit's Rapid Development Kits, which enable quick and easy PDF integration. Deep PDF expertise is not required to quickly leverage this PDF technology.

Trusted by the Best

Count on Foxit's SDK technology - the most tested and feature-rich PDF SDK in the market. Google Chrome, Amazon Kindle, and NASDAQ Director's Desk, among others, already are.
